

ORACLE

1961

UNION MADE IN U.S.A.

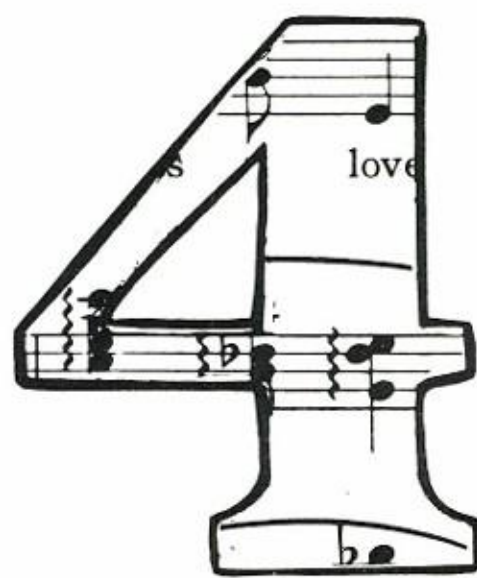

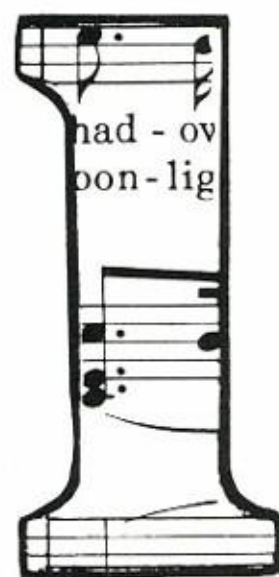

The Yearbook Staff Proudly Presents:

The Oracle

*Madison Academy
Huntsville, Alabama*

Editing the Oracle has been a challenge, an honor, and above all, a pleasure, which will forever occupy a prominent place in my memory. I am very grateful to a wonderful and cooperative annual staff, and to our faculty advisor who has shouldered much of the responsibility in preparing this year-book and we present it to you with understandable pride and satisfaction. We sincerely hope that in years to come it will be cherished for the memories it recalls of dear friends and happy school days.

Many new challenges now lie before us which we must meet with courage, faith, and steadfastness of purpose. Too soon, these yet-unseen challenges will also be memories. It is our fervent hope that the experiences which we have had this year, brought back to mind by this annual, will help us solve the challenges also.

Margaret Moore

For their untiring devotion to Madison Academy since its conception, and for his work on the Board of Trustees, we, the Oracle Staff, proudly dedicate this yearbook to Mr. and Mrs. Joe D. Giles.

A Yearbook Is

We Remember Learning . . .

From the knowledge of others.....

From our own experiments and experiences...

to Remember -

Preparing for our final year.

Planning for a college career.

and Planning

We Worship Together . . .

We Enjoy . . .

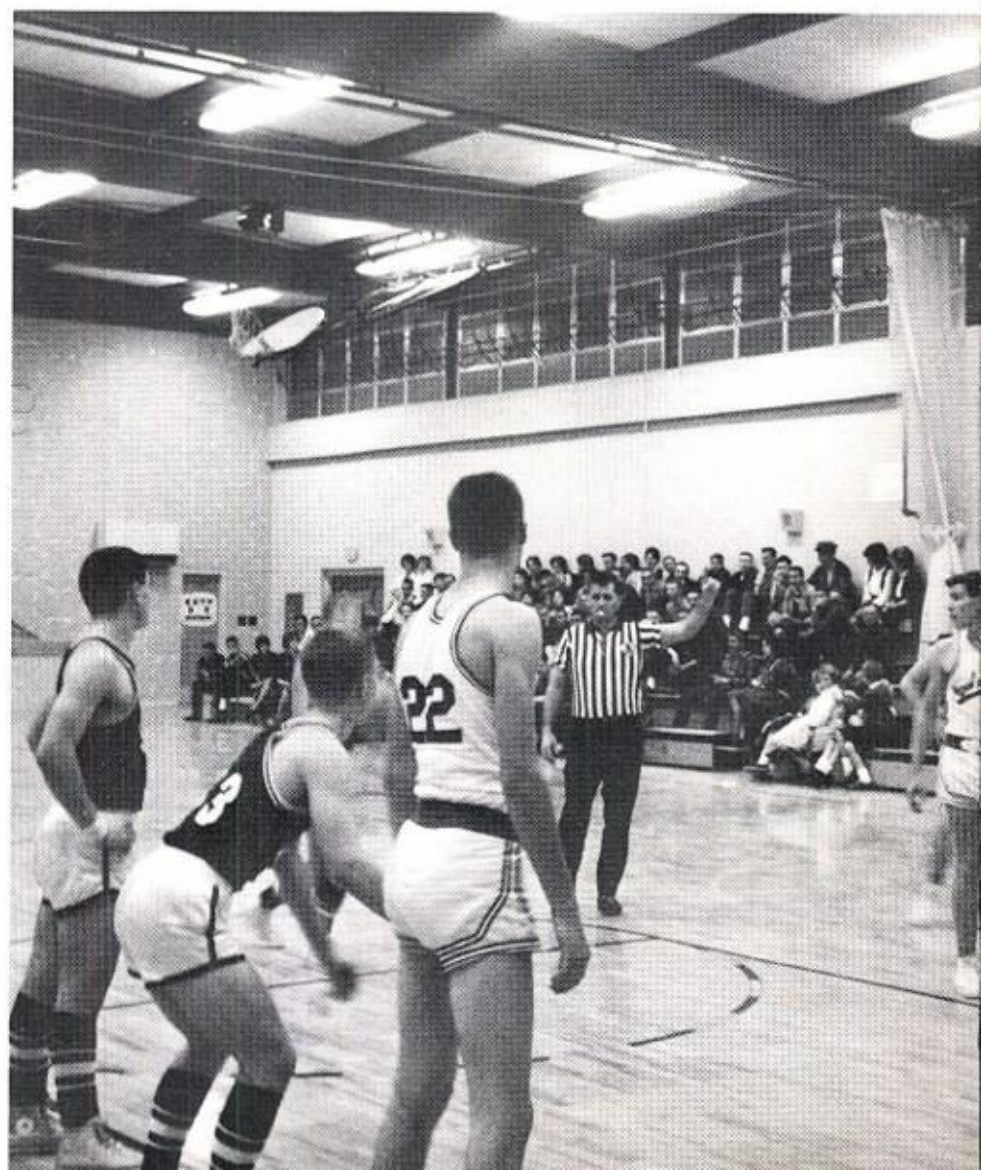

Student participation in Talent Shows.

Training for our 1st game in football.

The thrills of basketball.

The association of the Jr. -Sr. Banquet.

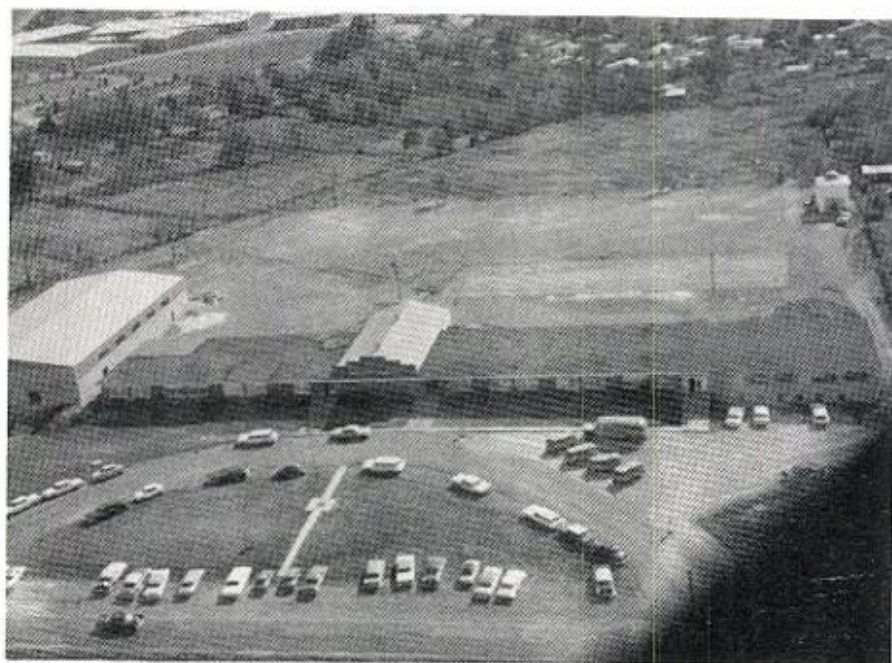

The experiences of a chorus Trip.

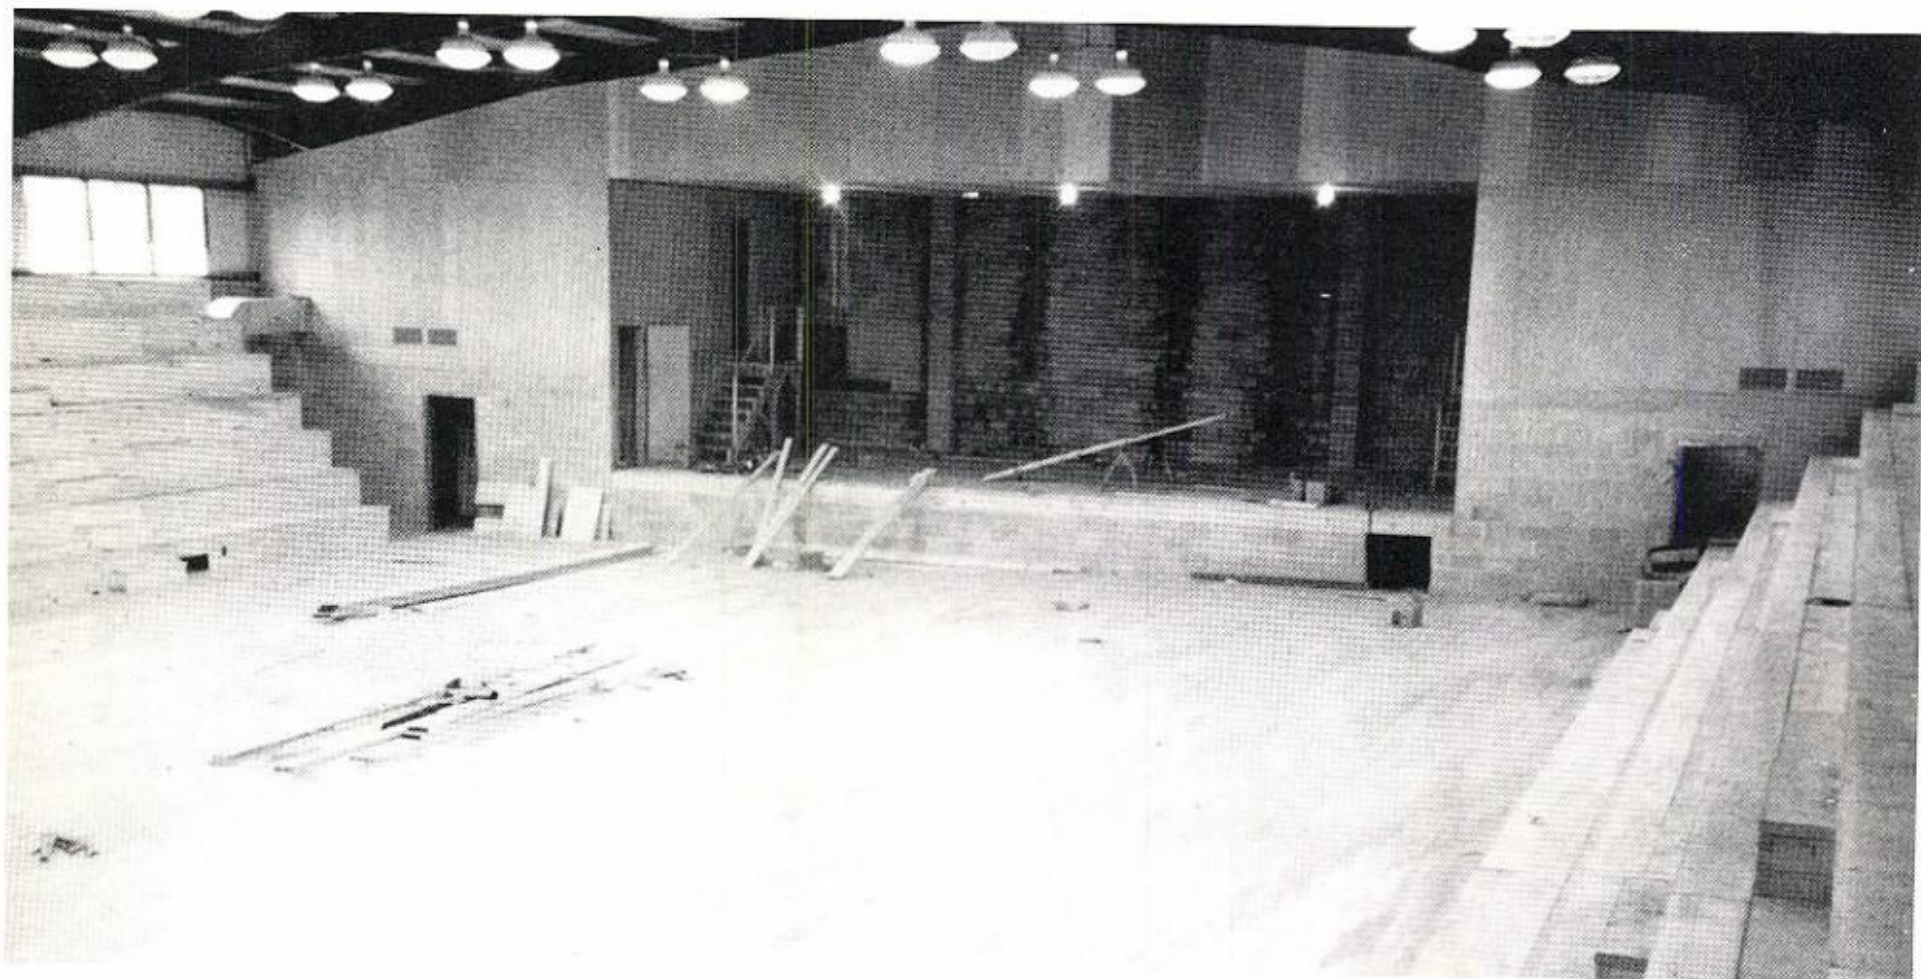

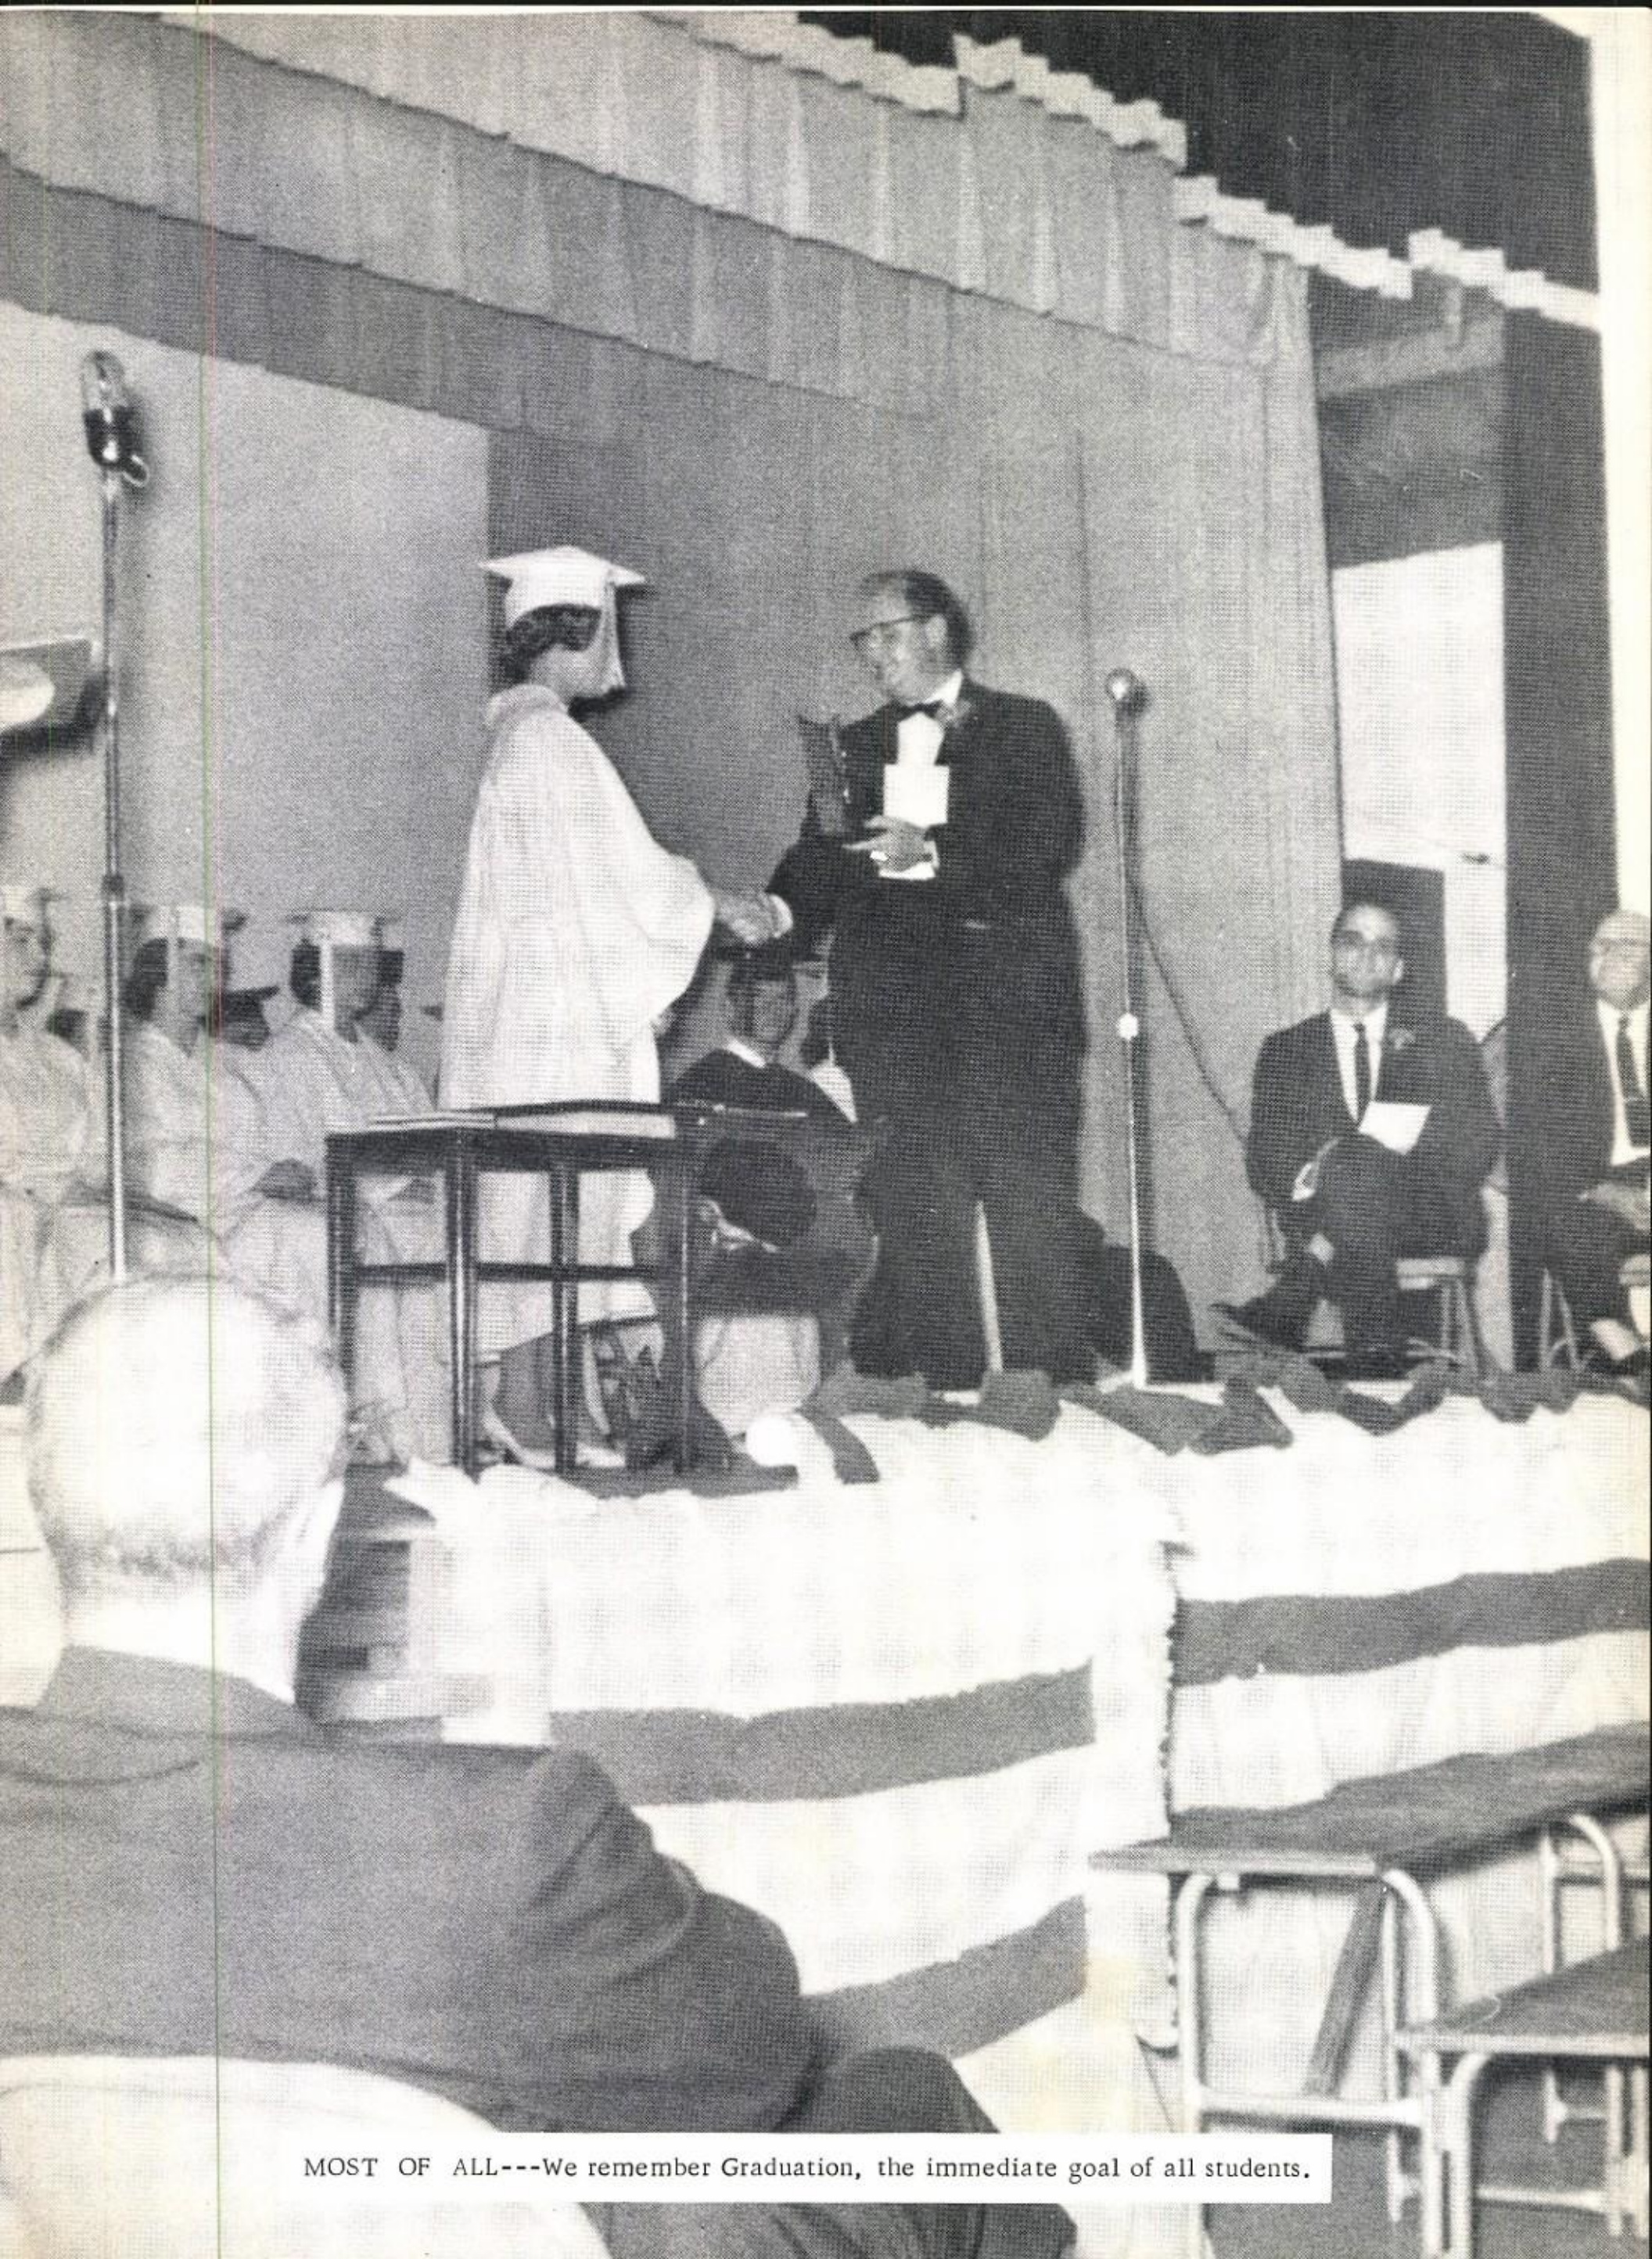

The excitement of the night before the game.

We Will Not Forget

The construction on our gymnasium completed at Christmas of this year.

MOST OF ALL---We remember Graduation, the immediate goal of all students.

Remember - - -

THE VALUE OF TIME.
THE SUCCESS OF PERSEVERANCE.
THE PLEASURE OF WORKING.
THE DIGNITY OF SIMPLICITY.
THE WORTH OF CHARACTER.
THE POWER OF KINDNESS.
THE INFLUENCE OF EXAMPLE.
THE OBLIGATION OF DUTY.
THE WISDOM OF ECONOMY.
THE VIRTUE OF PATIENCE.
THE IMPROVEMENT OF TALENT.
THE JOY OF ORIGINATING.

We hope this 1964 ORACLE will help you to remember all these and many more virtues, events, and organizations that have entered your life during this past year.

Spring Coronation Queen of 1963

Shirley Barnes

In order for us to receive our annuals at the end of the year, we find it necessary to feature the previous year's Coronation Queen. The Queen rules over the activities of the evening which includes the Talent Show featuring talent from each of the twelve grades and the kindergarten. This is truly one of the high lights of the year.

Honor Student

Chosen by the Faculty as the most outstanding Senior Student.

Margaret Moore

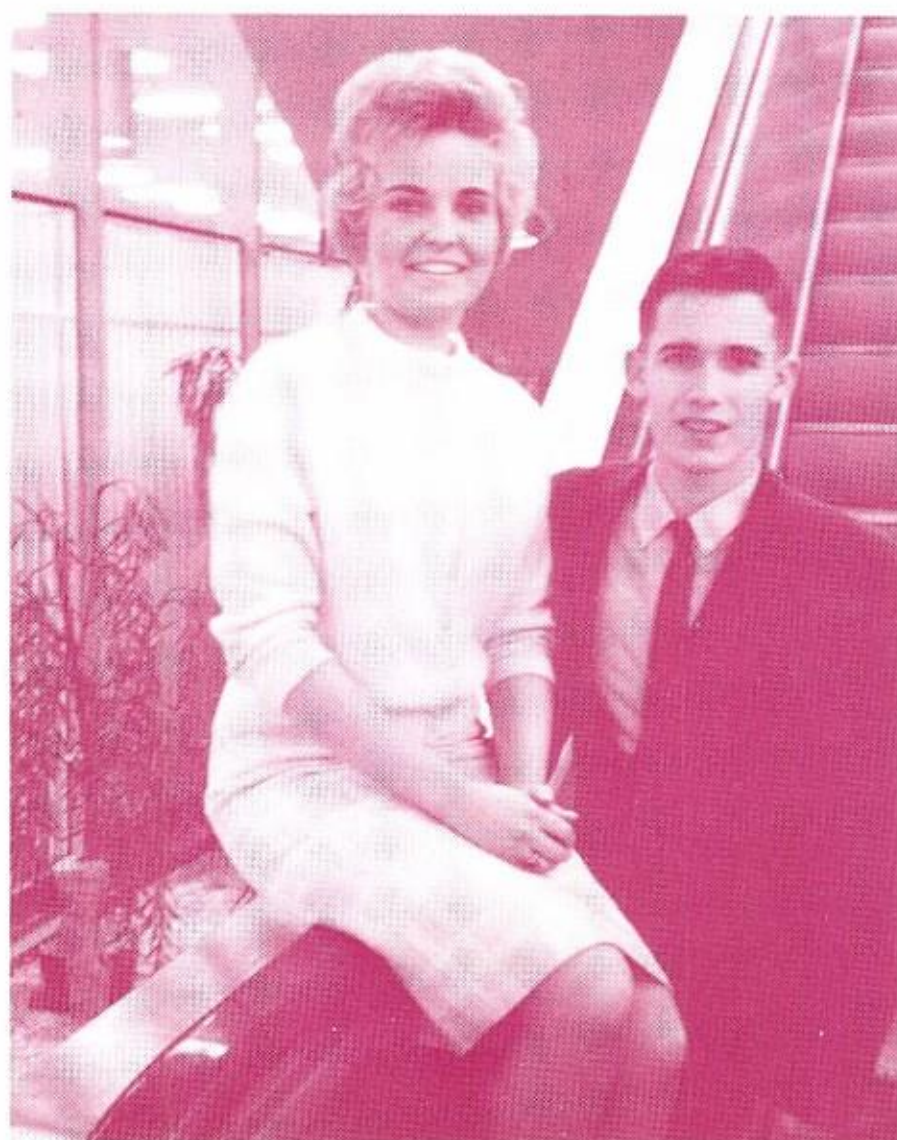

Chosen MOST POPULAR by vote of the entire student body.

Pat Powell and Margaret Moore.

Were selected BEST LOOKING by the students who felt they were the prettiest and handsomest in school.

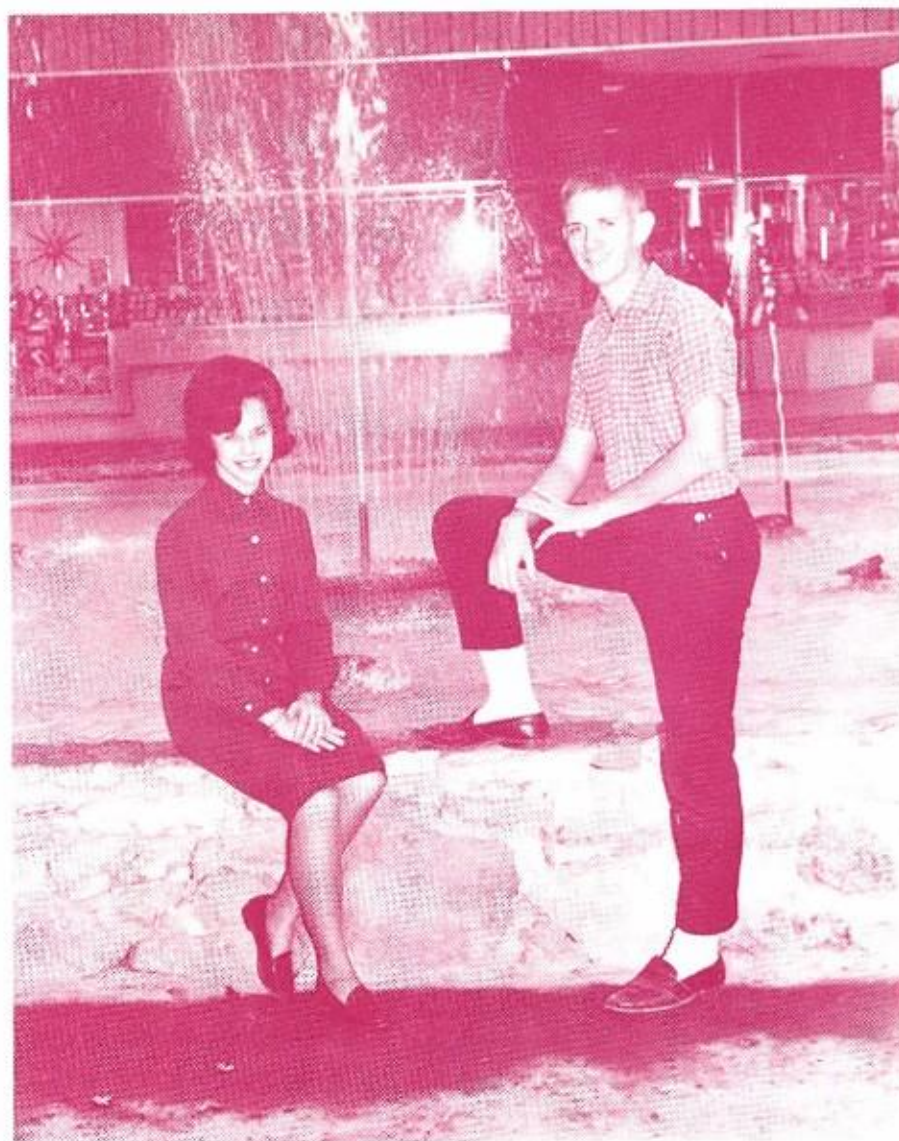

Patsy Ogle and Bob Summers.

BEST PERSONALITY

These were chosen because they were considered to be the friendliest and most likeable in school.

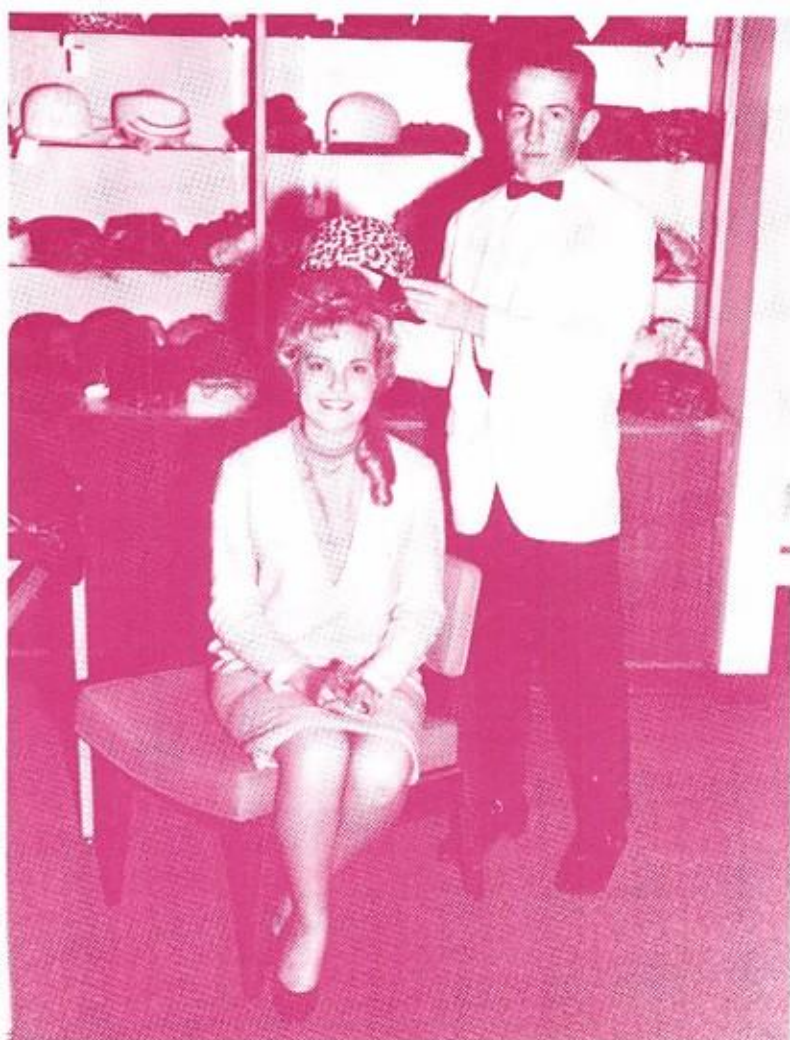

Margaret Moore and Jim Dowdy.

These two have been elected BEST ALL-AROUND because in the opinion of the student body, they best represent the ones who have the most well-rounded personality.

Margaret Moore and Leon Pierce

BEST DRESSED

These two were considered the neatest and best groomed at all times.

Patsy Ogle and Pat Powell.

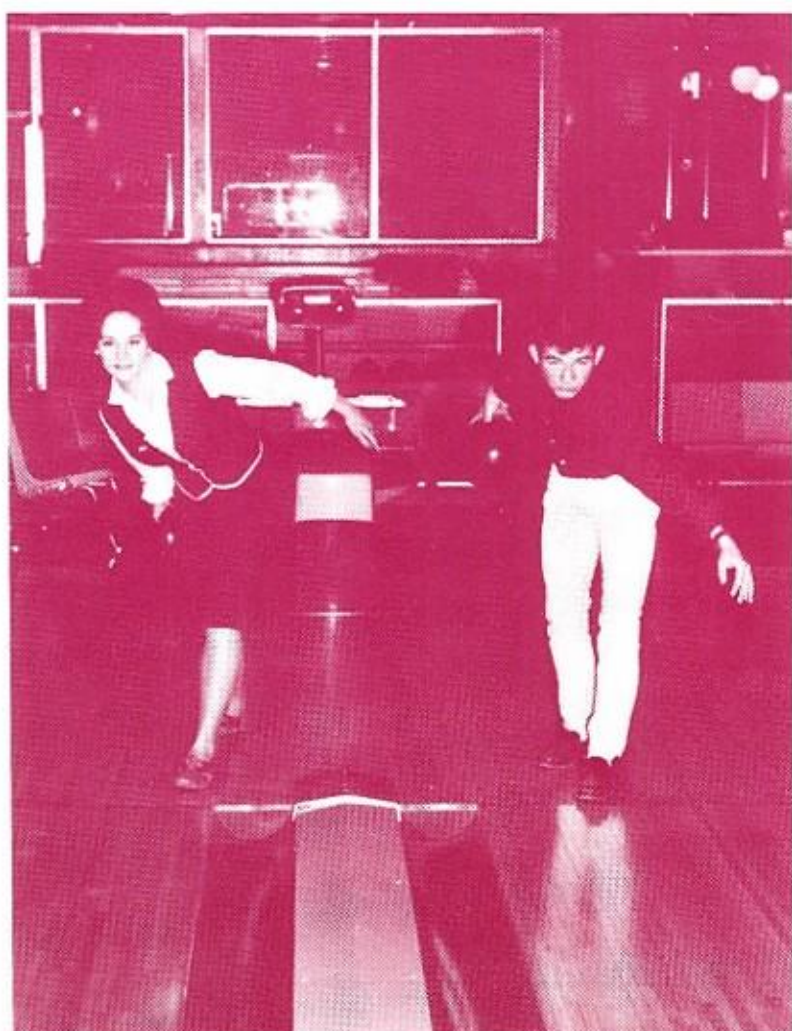

WITTIEST

These are the ones who are always doing something to make the whole student body roar with laughter.

John Thomas and Faye Brewer.

MOST ATHLETIC

In the opinion of the students these participated the most in the activities that made up the Athletic department.

Linda Bailey and Leon Pierce.

MOST LIKELY TO SUCCEED

Margaret Moore and Gary Upchurch

These are the ones that the students think will make something of their lives--perhaps they will be President someday or even take that Von Braun's place.

MOST COURTEOUS

Bob Summers and Kay Chambers

An example of courtesy to all those who look at them.

FLIRTIEST

Pat Powell and Terry Woodford

These were chosen because they were the friendliest to the opposite sex.

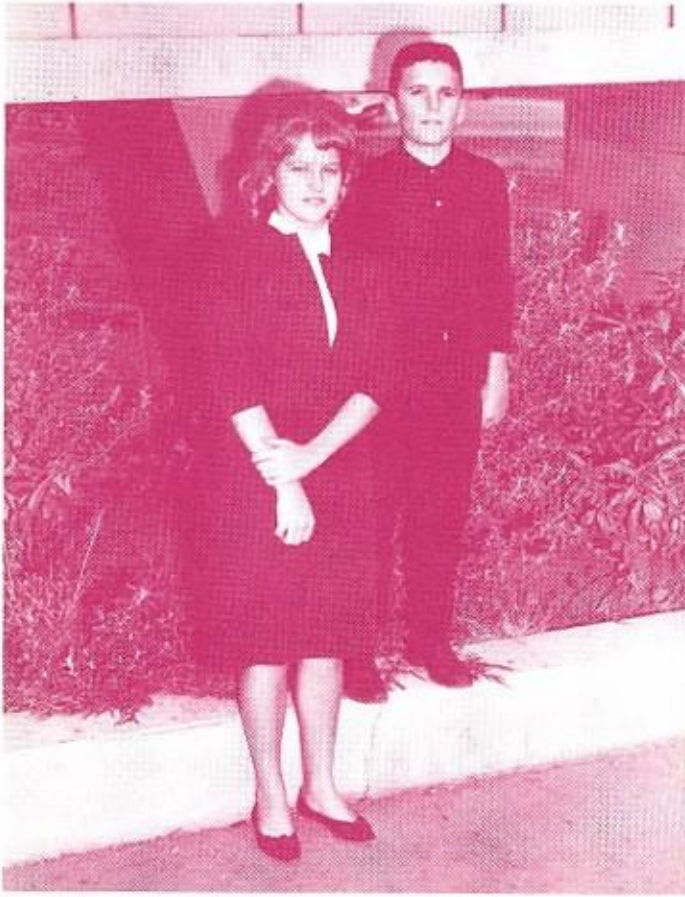

MOST STUDIOUS

Margaret Moore and Bruce Webster

These two students spent all their time studying to improve their grades. Believe it?

Football Team for 1963

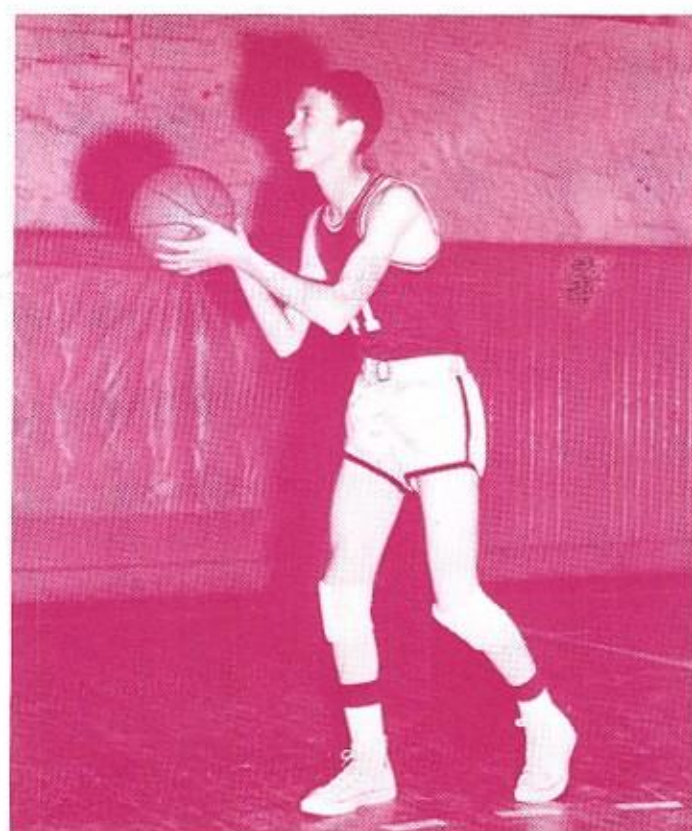

Although we won no games in 1963, our first football team gained experience that will prove of value in years to come. Only two boys from the above group graduated.

Library Workers

These young people assist the Librarian in a number of ways. Much work is accomplished by them each day and they learn library work at the same time.

The young men pictured are from grades 5-8 and do an excellent job of directing the traffic in front of the school.

Patrol Boys

Kitchen Staff

These ladies do such an outstanding job of cooking that we feel they are entitled to a full page. Their dinners are fine and their Rolls are amazing.

High School Choruses

*Small
Chorus*

For the first time, Madison Academy has two choruses. The small Chorus, shown above, is composed of some 30 students who travel all over this section of the U.S. They are shown above as they rehearse for a program to be presented at the U.S. Naval Reserve Open House. The ones at the left are also a part of the Small Chorus but did not participate in that particular program.

The Large Chorus, composed of about 50 members, sings mostly in the city of Huntsville. They produced most of the weekly radio programs the school participated in this year. Both Choruses are directed by Dwight Mowrer.

Large Chorus

Another First

*Junior
High
Chorus*

For the first time since the school began, a Junior High Chorus has been formed. This Chorus is directed by Mr. Leonard Kirk and participated in some of the radio programs that were produced during the year.

Another first for Madison Academy is the Band under the direction of Miss Darlene Sanders. This Band is composed mainly of Elementary and Junior High School students. We expect great things of this band as time goes by.

Band

Debate

Last year, Madison Academy formed its first Debate Team. This team participated in several tournaments and debates and made a very creditable showing for itself. This year we are expecting an even better record as this team travels from tournament to tournament under the tutelage of Mister Roland Roberts.

FUTURE HOMEMAKERS OF AMERICA. These girls take classes in Home Economics every day. They will make good wives--take a good look, boys!!! This group of girls are sponsored by Mrs. Vivian Tucker.

F. H. A.

The BETA CLUB is one of the highest honors in school. To belong you must have at least a "B" average and also have other qualifications--such as good attitudes, character, honor, loyalty, and truthfulness. This group sponsored by Mr. Robert McCready consists of Grades 10-12.

The JUNIOR HONOR SOCIETY is sponsored by Mrs. Lois Ward. It is similar to the Beta Club, having the same high requirements, but is made up of Grades 7-9.

4-H Girls

The hope of the nation lies in the farms and farmers of the State. An organization that helps to encourage such activity is the 4-H Club.

4-H Boys

The Oracle

These are the students who publish the Annual. A great deal more hard work goes into this publication than the average person thinks. Mr. Dwight Mowrer is the Faculty Sponsor.

The paper staff produces a bi-weekly paper, the Corral, under the sponsorship of Mr. Roland Roberts. This is the first year that a paper of this caliber has been published by the school. Sincere congratulations are due this Staff.

This is the first time that the school has sponsored a troop of scouts. We are sure that much good will come from this beginning.

A PERSONAL MESSAGE FROM ATHENS CLAY PULLIAS, *President*

DEAR MADISON ACADEMY SENIOR:

DAVID LIPSCOMB COLLEGE

President Pullias

I am making an earnest plea to you who have had the advantage of Christian education in your preparation for college to give serious consideration to David Lipscomb College's program of year-round Christian education leading to the B.A. or B.S. degree in three years instead of the usual four.

DAVID LIPSCOMB COLLEGE has pioneered in year-round college education, to which many forward-thinking institutions all over the nation are changing. Our first regular fourth quarter was offered in 1962, with 438 students taking advantage of this opportunity. In 1963, the total enrolled was 602. By 1967, this summer quarter (fourth quarter) student body is expected to reach 1,000, possibly a third of whom will be freshmen.

This is an age when time is of utmost importance—to you, to the church, to the community, and to the nation. The sooner you can take your place as an educated citizen, the better it will be for all. I am especially hopeful that graduates of Madison Academy and other Christian schools will take advantage of year-round education at Lipscomb to equip themselves to go forth to serve the Lord in their chosen field as soon as possible.

YEAR-ROUND EDUCATION has many important advantages for you as a student. First of all, by completing requirements for the B.S. or B.A. degree in three years, you may expect to earn in the fourth year an income equal to the cost of your three years in college.

Second, for professions that require post-graduate training, year-round education has the advantage of saving you a full year and thus shortening by that much the long period of preparation required.

Third, the difference between the champion and the runner-up is often hair-line thin. Victory always belongs to those who take advantage of every opportunity. By beginning your freshman college studies in June instead of September, you can step out ahead of tradition-bound high school graduates and leave them a year behind.

FEW STUDENTS will find summer employment that pays as well as you will be rewarded for completing a full quarter's work in college. Those who feel they must work at least one quarter each year will find it more profitable to enroll in the summer quarter and work for four full months in the fall—September through December—when employment and earning opportunities are much better.

In addition to all of the foregoing advantages, Lipscomb offers approximately seven weeks of vacation time to students and teachers who participate in the year-round program.

I extend to you who are graduating at Madison Academy in 1964 a very warm personal invitation to come to see what we have to offer you at Lipscomb before deciding on your future plans. You will find a cordial welcome from all of us.
